Rhode Island SFLC Overview

In accordance with covid concerns and regulations, members were all masked and opening remarks as well as speeches were provided to chapters in various rooms via a live feed from the main room.

Chapter members interested in running for officer positions had the opportunity to attend the leadership summit where they were greeted by a wonderful presentation led by FBLA National Treasurer, Max Provencher. Group activities and one-on-one information from state officers followed allowing everyone the chance to get to know each other better.

This year's SFLC was a great success bringing us all back together after a long year of virtual communication.

FBLA membership is open to all full-time secondary and post-secondary students in business / business-related programs regardless of race, creed, color, gender, sexual orientation, national origin, or disability.
